

SideWinder

A New Perspective On How To Teach & Coach

**The best one-on-one
training tool I have seen
in 50 years of coaching!**

- Bob Williams,

**Assistant Coach, Georgetown University
1100 N.W. 10th St., Miami Beach,
Florida**

- Best practice—optimal—equipment
- Portability—folded for easy use
- Digital camera captures instant replay
- Telescoping mast gives up quality
- 30-degree Swivel II remote control
- Heavy-duty weather system
- Warning cones for all components

Use for all OOB Drills,
Dropkicks,
Pass Perfection,
After pick-up,
7-on-2 Chase Drills,
Inside Run Drills,
Kicking Holders,
Defensive Pass Rush
Any Coachable Skill

**"It is the best piece of
coaching equipment that
I have seen and used
in the last 30 years. I
would recommend it to
every coach!"**

**Bob Powell -
Head Football Coach,
Ball State University**

**"We really like the
portability and the flexibility our
coaches wanted to make and use day
all across our club coaching!"**

**Bob Thomas -
Head Coach, Dallas Mustangs**

**"The SideWinder is particularly useful.
It provides the perfect height and view
regardless of situation."**

**Jim Hestinger -
Head Coach, Dallas Mustangs of America**
